May 16-20, 2022
Inclusive Dates

| Tasks Done this week: <ul style="list-style-type: none">Continuation of adding an Export feature in DTR LogsWorking on CRUD of EV Learning | |
|--|--|
| New Skill/s Acquired This Week: <ul style="list-style-type: none">Learned the basic of CKEditorAdditional Knowledge in Exporting a CSV/Excel file using Maatwebsite | |
| Your major accomplishments this week: (Provide a detailed description of the tasks involved in each accomplishment.) | |
| TASK/S | ACCOMPLISHMENTS |
| <ul style="list-style-type: none">Continuation of adding an Export feature in DTR Logs | <ul style="list-style-type: none">I just continue working on adding an export feature in DTR Logs. I was able to accomplish it by displaying the columns in excel one by one. I looked for a basis. |
| <ul style="list-style-type: none">Working on CRUD of EV Learning | <ul style="list-style-type: none">I started to add module, controller, model, and repository for EV Learning in the backend (Laravel). For this week I was able to display the categories in the data base and able to add a category. |
| Problem Encountered this week: <ul style="list-style-type: none">Struggle with looking for the functions that I can use to display data per column for Export in DTR Logs | |
| Ways done to overcome or solve those problems: <ul style="list-style-type: none">Look for the functions in the folders thoroughly and one by one. And look for a basis how to display it in excel. | |
| List one or two goals you set for yourself next week: <ul style="list-style-type: none">Able to familiarize how to use CKEditor | |
