**Von Ryan Sumague**

Student Name

Week No.: **10**

**Eastvantage Business Solutions, Inc.**

Company Name

**June 6-10, 2022**

Inclusive Dates

Tasks Done this week:

- Add Export All in Team Request
- Able to start coding in Neo

New Skill/s Acquired This Week:

- Learned how to display paginate items and all items in Excel Exports
- Understand the get and paginate function in Evox

Your major accomplishments this week: (Provide a detailed description of the tasks involved in each accomplishment.)

TASK/S	ACCOMPLISHMENTS
<ul style="list-style-type: none"><li>• Add Export All in Team Request</li></ul>	<ul style="list-style-type: none"><li>• Able to Add Export All in Team request where I can display all items in CSV/Excel file. I just used the get() function.</li></ul>
<ul style="list-style-type: none"><li>• Able to start coding in Neo</li></ul>	<ul style="list-style-type: none"><li>• I was able to start in Neo by helping my co-intern to do her task. I help her by applying filter to the user list table and removing the error when there's no record to display.</li></ul>

Problem Encountered this week:

- Struggling in fixing the bug with the filter in Neo

Ways done to overcome or solve those problems:

- We just compare the API of neo to evox

List one or two goals you set for yourself next week:

- Understand more and add features in Neo
