

PROGRAM: BS INFORMATION TECHNOLOGY

WEEKLY ACCOMPLISHMENTS REPORT

Von Ryan Sumague
Student Name

Week No.: 1

Eastvantage Business Solutions, Inc.
Company Name

April 04-08, 2022
Inclusive Dates

Tasks Done this week: <ul style="list-style-type: none">• I learned the basics of ReactJS by watching tutorials• I learned the basics of Laravel Framework for PHP by watching tutorials• We started the mini project that was assigned to us, we used ReactJS for frontend, PHP for backend with Laravel Framework and SQL Database• Learn how to use AXIOS	
New Skill/s Acquired This Week: <ul style="list-style-type: none">• Setup a Website Project using ReactJS and Laravel Framework• Able to Create and Read functions using AXIOS• Setup an SQL database using Laravel Framework	
Your major accomplishments this week: (Provide a detailed description of the tasks involved in each accomplishment.)	
TASK/S	ACCOMPLISHMENTS
<ul style="list-style-type: none">• Learned the basics of ReactJS and Laravel Framework	<ul style="list-style-type: none">• By watching video tutorials that was recommended to us, we were able to understand the basics of ReactJS and Laravel. We also gain knowledge with our daily meeting with our co-developer.
<ul style="list-style-type: none">• We started the mini project that was assigned to us, we used ReactJS for frontend, PHP for backend with Laravel Framework and SQL Database	<ul style="list-style-type: none">• Setup/started a Website Project using ReactJS and Laravel Framework using VS Code and XAMPP. We also learned what are the different apps/tools that we can use for efficiency in coding like Git Bash.
<ul style="list-style-type: none">• Learn how to use AXIOS	<ul style="list-style-type: none">• I was able to Create an item using the POST and Read with GET of AXIOS. By serving the API with Laravel we were able to use the data in Database properly.
Problem Encountered this week: <ul style="list-style-type: none">• I don't have knowledge about using frameworks in implementing a website.	

<ul style="list-style-type: none">• Slow progress with the assignment that was given to us.
Ways done to overcome or solve those problems: <ul style="list-style-type: none">• Asking for help with our co-developer and watching video tutorials.
List one or two goals you set for yourself next week: <ul style="list-style-type: none">• Learn the full CRUD functions with the given frameworks• Learn the parents/child Database Relationship
