Student Name

Eastvantage Business Solutions, Inc.   **July 4 – July 8, 2022**
Company Name   Inclusive Dates

Tasks Done this week:
• Popup in dashboard for DPA Update
• Resend of requirements reminder
• Fixed the bugs in the filter of NEO Dashboard

New Skill/s Acquired This Week:
- Improve my knowledge in using Mailtrap.

Your major accomplishments this week: (Provide a detailed description of the tasks involved in each accomplishment.)

TASK/S	ACCOMPLISHMENTS
• Popup in dashboard for DPA Update	• In my task of DPA Update tick, when the current year and DPA Ticked year is not match, it must notify the user by showing a popup in the dashboard. It contains image and when you clicked it, it will direct to the DPA Webinar page.
• Resend of requirements reminder	• I added a button in the table of Neo in dashboard. The feature is that, it will resend an email where it reminds the user what requirements that they still need to submit.
• Fixed the bugs in the filter of NEO Dashboard	• When our codes merged, there's a bug occurred in the dashboard.

Problem Encountered this week:
- None

Ways done to overcome or solve those problems:
- N/A

List one or two goals you set for yourself next week:
- Finished my Web Format OJT Portfolio
